Hi Cheryl,

Here's a link to our water permitting page: <https://dnr.wi.gov/permits/water/>

To view any submittals from CSD, click on 'Track'. Then on the next page, filter by county (Juneau, in this case) and by type (Livestock operations) on the left hand side of the page.

It may be overwhelming at first, but you can look through the document set titles to determine what you need, i.e. NMP Update.

If you have any questions, let me know!

Thanks,

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
